Acknowledgements of Spaces by Recognition

For acknowledgement and public recognition, proposals must receive approval by the Board of Trustees. Acknowledgement will not extend beyond the normal life of the collection, space, or area, but may be modified based on Board of Trustees approval. Accepted donations of \$10,000 to \$49,999 carry a term of 10 years acknowledgement and accepted donations from \$50,000 to \$99,999 carry a term for 15 years. All such proposals will be memorialized in writing.

Terms of accepted donations over \$100,000 will be determined through a consultation with the Board of Trustees and must be memorialized in writing.

All donations are accepted only if, in the opinion of the Library Director and the Library Board of Trustees, they are in the best interests of the library. The library does not commit itself to perpetually housing a donation.
